Shoes

You have seen the size of our stocks—you have
seen our window displays of shoes. WE DON'T
LOOK HIGH-PRICED AND WE ARE NOT HIGH-
PRICED. Factory purchases of staple shoes, be-
fore the advance. With our 1927 purchases of
Work Shoes, we are able to average our Spring
of 1928 Shoe prices as low or lower than our 1927
lowest level. We can save you 50c to \$2.00 a pair
on Shoes.

yourself who is going ahead and who is slipping or standing still.

Yours for a larger and better shopping center at the Industrial Center—the
City of Torrance. We will help—will you?
